

Winchester City Flyers New Home

Winchester City Flyers are proud to announce their new home as the Denplan City Ground in Winchester from next season.

Following meetings between the Chairman of Winchester City FC Paul Murray and the Chairman of Winchester City Flyers Allan Higgs, we are pleased to have reached an agreement that sees the Flyers move in to the Denplan from next season.

Flyers Chairman Allan Higgs said; "this is a dream come true for the Flyers to have finally found a home in Winchester. The facilities are superb and of a standard capable of supporting our ambition of reaching Women's Premier League status and beyond. We are grateful to Paul and the entire Winchester City FC committee for embracing both us and the Women's game and we look forward to working with them in the coming years to help deliver our jointly held ambitions for both the venue and the game of football as a whole".
